January 10, 2018

After many conversations with individuals and groups of the Pleasant Grove community regarding the appalling acts of hate found within our school and community, it is clear to me that we need to take trusting and collaborative action.

An immediate step I am taking is to schedule a meeting for January 23, 2018 from 6:00 p.m. to 7:30 p.m. in the Multi-Purpose Room for PGHS parents, students and staff. The purpose of the meeting is for listening, sharing information and committing to collaborative efforts to address the concerns and issues we are currently facing at our school.

I am confident in our ability to provide a safe learning environment for all students. I care deeply about this extremely serious matter. In my years of being the principal at PGHS, I have witnessed firsthand the incredible talent our community possesses for grappling with challenging situations. I am certain that we are at our best when we collaborate to ensure our school is welcoming, safe and inclusive for every single student.

You have my commitment that we will take every step necessary to ensure this happens.
